Distributeurs à benzine

Résiste aux différents solvants. Evite l'évaporation
 et les impuretés grâce à son système de fermeture
 à valve. Flacon en HDPE. Couvrete en acier inox.

Benzinspender

Widerstandsfähig gegen verschiedene
 Lösungsmittel. Verhindert die Verdunstung und
 Verunreinigung dank seines Sperrventilsystems.
 Flakon aus HDPE. Deckel aus rostfreiem Stahl.

Benzine distributors

Withstand different solvents. Avoid evaporation and
 impurity thanks to its system of locking valve. Bottle
 in HDPE. Lapping cover in stainless steel.

Dispensadores de bencina

Resistente a los diferentes solventes. Evita la
 evaporación y las impurezas gracias a su dispositivo de
 cierre a válvula. Frasco en HDPE. Tapa en acero inox.
