

AQUAPRESS PXX

Water pressurisation machine

6 standard models

-Pressures : 40, 100 or 200 bar

-Loading capacity : 60 or 200 watches

Other pressures and capacities can be provided on request.

Tank and collection tray made from stainless steel.

RS-232 output.

Touch-screen.

Option : lift, demineraliser and PLAROX PR10.

*PLAROX PR10

Technical specifications

Supply voltage:

All models
110-230 V / 50-60 Hz

Power:

84 W

Water inlet pressure:

2 bar minimum

Dimensions (l/d/h):

1300 x 700 x 1200 mm

Minimum air inlet pressure:

PXX 40-60

3 bar

PXX 100-60

6 bar

PXX 200-60

8 bar

Cube dimensions (Ø/h):

162 x 300 mm

162 x 300 mm

162 x 300 mm

Tank capacity:

6.2 l

6.2 l
